# GLOBETROTTER XLI

## GLOBETROTTER XL I Highlights

- + Generous amount of space with separable functional areas
- + Modern living ambience thanks to a homely mix of light surfaces and cosy wood details
- + Warm-water heating for comfortable living just like at home – even in winter
- + Unique “Light Moments” lighting system
- + Comfort on the road thanks to ergonomic SKA captain seats – optionally available with air suspension, seat heating and seat ventilation
- + LifeTime-Plus bodywork construction, wood-free with GRP-clad underfloor and roof
- + **Exclusive chassis specification:**
  - 136 kW/180 hp Multijet engine
  - 9-speed automatic transmission
  - Cab climate control
  - Leather steering wheel... as well as extensive additional equipment

**Modern double-floor construction** ensures a winterproof, frost-protected water system and creates additional storage space (260 mm height)

**Premium broad-gauge low-frame chassis** with twin axle and lowered by 145 mm for a safe and dynamic driving experience

# All the perfect details in one model

The attractive sideboard is a multifunctional all-rounder that offers additional, extremely practical storage space. The bottom drawer with upholstered top can be used as a foot rest, step or an additional seat for guests.

Need an additional seat for the journey? A sturdy folding seat with 3-point safety belt is already integrated into the optional transverse seating. • | 7850-2 EB | Melia

I 7850-2 DBM | Collin

1 The premium ambience continues in the interior thanks to the harmonious "Light Moments" lighting system with four individually controllable light levels (option)

2 The XLI offers every imaginable multimedia component - including a large 32-inch TV above the sideboard (option)

3 The lavishly tailored Collin leather upholstery (option) lends the interior additional exclusivity

## SLEEPING

# More space for sweet dreams

Electrically adjustable pull-down bed (200 x 150 cm sleeping area) with high-quality mattress

This is peak comfort. The 160 cm-wide queen bed is accessible from three sides. On the left and right, two large wardrobes offer additional storage space

In the bedrooms, the beds are equipped with high-quality, 150 mm-thick seven-zone mattresses made of climate-regulating material on specially adapted wooden slatted bed frames.

## BATHROOM

# Wellness on Wheels

Typical XL I: the spacious bathroom with plenty of elbow room can be completely separated from the living room. If desired, either a ceramic toilet or a macerator toilet with a large waste tank can be ordered.

Recessed sink with metal tap

There is also plenty of space in the separate shower with backlit fittings.

# GourmetPlus Kitchen

177-litre fridge / freezer combination with oven. The doors can even be opened in either direction thanks to a double hinge!

A haptic delight: the easy-care mineral worktop

Ideal storage: the large apothecary-style drawer

Clear the air: powerful cooker-hood extractor with draught stopper

Plenty of cooking fun! The GourmetPlus kitchen brings together everything you need to cook up a storm. With plenty of elbow room and storage space to boot! The drawers are automatically locked when the engine is started

# Plus factors

The XLI offers an enormous range of exciting equipment and customisation options. Here are just a few examples:

A complete overview with detailed information can be found at: [www.dethleffs.co.uk/xli](http://www.dethleffs.co.uk/xli)

70 cm-wide door with window, central locking system and electric closing aid

Enjoy prolonged self-sufficiency thanks to the latest lithium-ion technology with 1600 W or 3000 W power output (option)

Stylish GRP rear section with first-class insulation and elegantly integrated reversing camera and third brake light

Travel first class thanks to shock-absorbing hydraulic seats with a heated and ventilated seat surface (option)

Dethleffs Connect – your digital control centre! View important vehicle data and control relevant consumers such as the fridge, heating or air-conditioning system via touchscreens on the dashboard, in the living room – or via the smartphone app
